

**Volunteer Program for Use of
Peaceful Valley Shooting Sports Areas**

The shooting ranges at Peaceful Valley Scout Ranch may be made available to Boy Scout Troops, Varsity Scout Teams, Explorer Posts, and Venturing Crews upon prior request (**minimum 4 weeks**) when all BSA standards can be met.

Note: Cub Scouts **may only** shoot archery and BB Guns at Council or District approved programs. Cub Scout Packs are not approved to run shooting events. Please contact your District Shooting Sports Coordinator if you would like to plan an event.

Basic standards are in the BSA Shooting Sports Manual.

http://www.scouting.org/filestore/Outdoor%20Program/pdf/30931_WB.pdf

Please review all BSA levels 1 thru 5. In the document above. Choose and study the requirements for the level best describing your event. Questions can be simply directed to your Coordinators or Chairman.

Many documents and charts can be found at: www.dacshootingsports.org

Other resources are: **Guide to Safe Scouting, & Camp Programs and Property Management.**

Shooting Sports Section.

All equipment and ammunition must be approved for use by a Denver Area Council Representative before range use. For information see **DAC Standard Operating Procedure also found at**

http://www.dacshootingsports.org/Instructor/DACSS_SOP_Current.pdf

We realize that many units will not have proper equipment and properly certified Instructors/ Range Officers required for Scouts to shoot. Please send an email to your District Coordinator outlining your event plan. Emails can be sent directly from www.dacshootingsports.org

Range reservations are on a 1st Come 1st Served basis. Reservations are handled thru the **CAMPING Dept. at Council office.** When your unit has a confirmed reservation please contact your **District Shooting Sports Coordinator** via email. Coordinator or committee person will contact and assist you in planning. Please keep in mind ALL NRA Instructors and RSO's within DACSS are VOLUNTEERS and are also active in other Scouting roles. We cannot always guarantee availability of Instructors & RSOs.

Consider Training to become a NRA or NAA Certified Instructor. Check websites for dates & times.

Camp shooting equipment will be made available to Council Approved Instructors for their use in operating the ranges. Council maintenance fees for the range equipment have been calculated into your range fees and consumables. All guns must be returned **CLEANED** to QM.

Range Boxes must be returned organized. **Please** fill out refill list and leave in the pouch inside tote.

CLEANING FEE will be charged at a rate of \$ **10.00** per hour for any gun returned uncleaned.

We provide "shared" eye and hearing protection when requested.

However, on a personal level we strongly recommend ALL participants bring their own **shatter proof EYE** protection and **over ear HEARING** protection.

Outside Council RSO's and Instructors: Must also review and take the DAC SOP test prior to approval. You can find the SOP and Test on the home page of www.dacshootingsports.org
